PRECAST CONCRETE BUILDINGS BY

A unique manufacturing system since 1962 based in Kennedale and shipping wall panels for all kinds of buildings throughout the United States.

478-1137

1150 E. Mansfield Highway

OUR QUALITY PROCEDURES

1. Speed Fab-Crete produces a building system—not just walls to the job site...company personnel, equipment and materials.
2. Speed Fab-Crete uses pre-screened sub-contractors to avoid shoddy workmanship and liens by unpaid suppliers.
3. Speed Fab-Crete field superintendents monitor daily project schedules and hold review meetings with company president weekly.
4. Speed Fab-Crete is a strong, debt-free company capable of bonding any type building project.
5. Speed Fab-Crete offers 38 years of construction experience and a 25-year proven building system to warrant customer confidence.

Thanks for an excellent

relationship with the

Kennedale community

and its youth!

Dear Patrons:

Another year of Kennedale Football has arrived. We hope to continue our winning season again this year. All the participants - players, coaches, band members, and cheerleaders - are eagerly awaiting the challenge of 3A participation.

Once again we thank you for your continued support. Without your support, the efforts of our young people would go unnoticed.

Sincerely,

G. D. Cockerham,
